

GiftAble Foundation

ANM, Asha & Aanganwadi workers Training 24 August 2024

Fostering Inclusion

Objective:-

- The objective is to create awareness among stakeholders and increase the accountability for the CBR and other GiftAble IEC /EIP activities.

Fostering Inclusion

Introduction:-

❖ **Selecting Anganwadi Centers workers & ANM, Asha : -**

We chose four villages ANM, Asha and Anganwadi workers, namely Chhitauni, Belwa, Sultanjot & Ganwariya, as the venues for the training.

❖ **Permission from Anganwadi head & ANM :-** Binish and Neha visited the Anganwadi centers & PHC Centers and obtained permission from the head to conduct the training sessions there.

Objective:-

Fostering Inclusion

- To advocate the rights, freedoms and interests of persons with disabilities;
- To implement various preventative programs aimed at disability prevention;
- To organize camps for people who have recently become disabled due to spinal cord injury, brain injury or other illnesses;
- To disseminate information about the organization's activities, projects and their results.

❖ **Planning and Preparation:**

- Scheduling: Binish & Neha created a schedule for the training sessions, specifying the dates as 24th August 2024.
- Training Material: Binish & Neha developed training materials that would be used during the sessions.

❖ **Content Sharing:** we shared the content of the training with the participants, presumably outlining what topics or skills would be covered during the sessions.

Continue.....

Fostering Inclusion

- **Preparation:** With the training materials and logistics in place, you made sure everything was ready for the training to start.

- ❖ **Training Sessions:** The actual training took place on 24 August 2024. Presumably, during these days, we and our team conducted the training sessions as per the schedule and shared the planned content with the participants.
